The Budget Estimates for 2024-25 (R) provides seeking ordinary grant-in-aid of Rs.6,80,62,967/- only from Govt. & tentatively Rs.7,35,38,596/- only for 2025-26 (O) only.

The expenditure provided under the Heads of the Budget Estimates is more than the average/actual expenditure during the past three years and during the year 2023-2024. Reasons for such increase in expenditure are as under: -

1. Payment of annual increments
2. Revision of rates of D.A. w.e.f. 01-01-2022 as per H.P. Govt. employees.
3. General increase in prices of commodities during the year.
4. Payment of arrear of revision of pay scales w.e.f. 01-01-2016 to Cantt Board employee.
5. Payment of water charges to M.E.S.
6. Grant of pensionary benefits to four employees who will retire during 2024-25& 2025-26.
7. Provision made in order to improve maintenance of Cantt Fund properties, roads and to provide better civic amenities.

Budgeting on the basis of average expenditure incurred during the past three year has become out method on account of:-

- (a) General rises in prices of commodities;
- (b) There exists back-log of maintenance which has to be catered for. Any retrenchment under repair and maintenance will only contribute deterioration of the civic condition. The amount reflected for maintenance of Cantt Fund building/roads/drains/ Nallah/other Misc. public improvement etc are the barest minimum.

The Budget Estimates have been prepared with only the absolute essential requirement in mind, thus leaving no margin for any reduction in expenditure. Any further reduction in expenditure will impair the efficiency of the Cantonment Administration. On other hand every effort has been made to increase the income.

The Cantonment Board has been stated-aided since its inception. The main reason for deficit is that the income of the Cantonment Board from local source is very limited and where as the expenditure on establishment and other civil amenities have been manifold. The monthly wages bill cost to Rs. 30.00 lacs and pension bill are Rs. 12 lacs p.m.

The budget estimates are submitted for approval for submission to Govt. of India for acceptance of provision and release of due ordinary grant-in-aid.

RESOLUTION NO. 14
